

World's leading manufacturer of precision tools, equipment and supplies for technicians and craftsmen.

THE Pégas® SCROLL BAND SAW

A precision machine designed for hobbyists and skilled professionals.

- For use with 1/32" - 1/8" Pégas® Scroll Band Saw Blades, the finest and most accurate blades ever produced.
- Balanced flat wheels covered with a durable tire help the blades stay in position.
- Precision-machined support bearings above and below the table allow for the tightest turns of any band saw.
- 2 speed, 3/4 horsepower motor for woodworking and for cutting softer metals.
- Heavy cast-iron table with a 40-degree tilt capability.
- Dust collection system positioned directly under the table for optimal efficiency.
